COVID-19 | Current impact on the AEC industry

PROJECTS

Volatility in
demand & expected
Infrastructure stimulus

PEOPLE

Furloughed &
laid off employees looking to
upskill

PROCESS

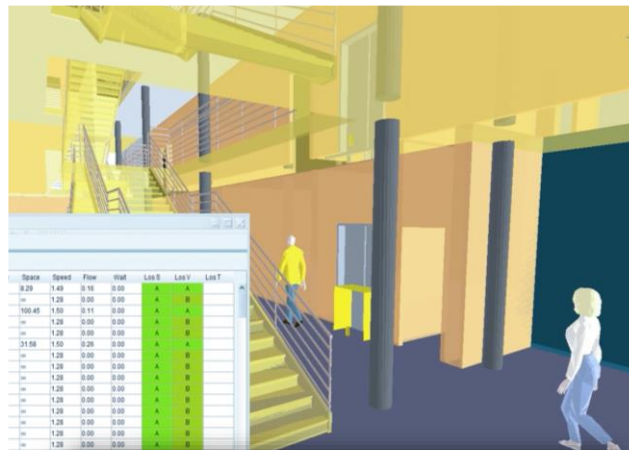

Remote working
& retooling

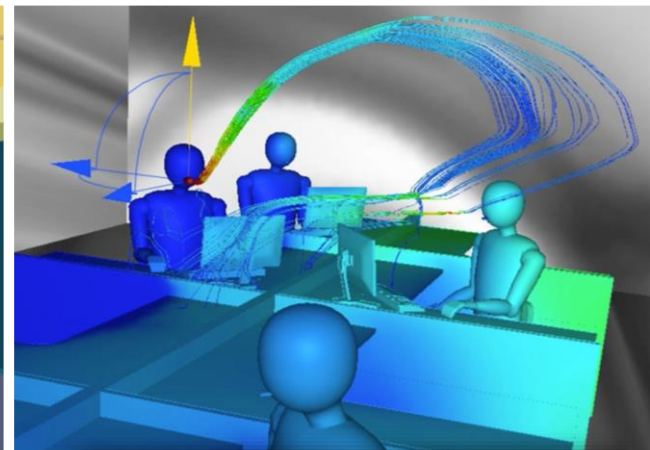

A man with dark hair and a beard, wearing large white headphones, sits at a desk. A young child with brown hair is leaning over his shoulder, looking at a computer monitor. The monitor displays a video conference with four participants in a 2x2 grid. The background shows a wooden shelf with various items.
