

Teacher Name: _____ School: _____

Autodesk Kids' Community Signature Consent Form

I understand that my child will have an opportunity to have a Tinkercad account. Both my child and I agree to follow the school's Acceptable Use Policy, and the Tinkercad Terms of Service, found at <http://tinkercad.autodesk.com/tos>.

I understand that my child will be able to create and share designs, post comments, upload a photo, collaborate with others, and contact customer service. Children may be able to share personal information while participating in some of these activities.

I agree to teacher moderation of my child's account for the safety and security of my child when using Tinkercad. Additionally, I understand that I can establish a parent account and provide my consent directly to Autodesk so I can review and moderate my child's activities directly, and allow them to continue using Tinkercad after the school term ends.

_____ Yes, I will allow my child to use Tinkercad.

_____ No, I will not allow my child to use Tinkercad.

Student Name: _____

School: _____

Parent Name (Printed): _____

Parent Signature: _____ Date: _____

Optional for parents:

If you would like to create your own parent account and co-moderate your child:

1. Create your own Tinkercad account at <https://www.tinkercad.com>, using your birthdate and email to sign up.
2. Send email to Tinkercad.parents@autodesk.com, with
 - a. Your child's username, including any capital letters
 - b. The email you used to sign up for your account
 - c. Request that you be added as co-moderator.
3. You will receive email confirmation within 3-5 business days.

This agreement will remain in effect as long as the student is enrolled in the school listed above, or until the parent submits a letter revoking permission for the student to use Tinkercad. Please note violation of the Tinkercad Terms of Service will result in loss of the student's privilege to use Tinkercad.
