PLEASE READ THESE TERMS CAREFULLY BEFORE USING THIS SITE. BY ACCESSING THIS SITE, YOU AGREE TO BE BOUND BY THESE TERMS. IF YOU DO NOT AGREE TO THE TERMS, PLEASE DO NOT USE THE SITE.

"You" or "your" means you personally (*i.e.*, the individual who reads and agrees to be bound by these terms), and, if you access this Site on behalf of a corporation or other legal entity (including, but not limited to, a partnership, LLC or LLP), collectively, you and such corporation or other legal entity on whose behalf you access the Site.

No charge is made for your use of the Site (unless otherwise stated), although you should be aware that charges for Internet use may apply at rates determined by your provider. Autodesk reserves the right to change the products, services, prices, and programs mentioned in this Site, at any time, at its sole discretion.

Further, your use of this Site is subject to those additional terms and conditions provided by Autodesk and, subject to Autodesk's sole discretion, applicable to certain information, products, and services offerings available through this Site. Such additional terms and conditions include, but are not limited to, license agreements, supplementary user agreements, and the Privacy Policy and Consent for Linking (collectively, "Additional Terms"). The Additional Terms are hereby incorporated by reference into these Terms (if there is any conflict between the Additional Terms and these Terms, the Additional Terms shall prevail with respect to the subject matter of such Additional Terms).

Autodesk reserves the right to change these Terms, and provide you with notice of such change by posting the revised draft of the Terms on the Site or by other reasonable means selected by us. You can determine when these Terms were last revised by referring to the "LAST UPDATED" legend at the top of these Terms. Your continued use of the Site after such changes will indicate your acceptance of such changes.

Autodesk further reserves the right to seek all remedies available by law and in equity for any violation of these Terms. Any rights not expressly granted herein are reserved by Autodesk.

1. Eligibility. If you are using this Site on behalf of a corporation or other legal entity, you represent that you are authorized to accept these terms and conditions on behalf of such corporation or other legal entity. Further, you acknowledge that you are 13 years of age or older, and, if under the age of 18, are using this Site under the active supervision of a parent, legal guardian, or other responsible adult. Individuals who are under the age of majority in their jurisdiction are not allowed to use this Site or transmit or otherwise submit personally identifiable information to Autodesk.

2. Terms Applicable to Corporations. The following terms and conditions apply specifically to any corporation or other legal entity that is subject to these Terms: You agree to require each of your employees to be bound by the terms and conditions of these Terms and you agree to remain responsible and liable for all acts and omissions of your employees in connection with the Site, including any breaches of these Terms. All references to your access and/or use of the Site herein include access and/or use of the Site by your employees. You agree that each of your employees is responsible for maintaining the confidentiality of any password that such employee may use to access the Site, and you agree not to let any employee transfer a password or user name, or lend or otherwise transfer use of or access to the Site, to other employees or any third party. If an employee leaves your employ, or if you wish to disable an employee's access to the Site, you are responsible for any such changes. You are

fully responsible for all interaction with the Site that occurs in connection with passwords or user names associated with your employees (including any former employees).

3. U.S.-Based Website. The Site is controlled and operated by Autodesk from the United States, and, except as expressly set forth herein, is not intended to subject Autodesk to the laws or jurisdiction of any state, country or territory other than that of the United States. Autodesk does not represent or warrant that the Site or any part thereof is appropriate or available for use in any particular jurisdiction other than the United States. In choosing to access the Site, you do so on your own initiative and at your own risk, and are responsible for complying with all local laws, rules and regulations. You are also subject to U.S. export controls and are responsible for any violations of such controls, including any U.S. embargoes or other federal rules and regulations restricting exports. Autodesk may limit the Site's availability, in whole or in part, to any person, geographic area or jurisdiction Autodesk chooses, at any time and in Autodesk's sole discretion.

4. Information Submitted Through the Site. Your submission of information through the Site is governed by Autodesk's Privacy Policy, which is located at <http://usa.autodesk.com/company/legal-notice-trademarks/privacy-policy> (the "**Privacy Policy**") and is hereby incorporated into these Terms by this reference. You represent and warrant that any information that you provide in connection with your use of the Site is and shall remain true, accurate, and complete, and that you will maintain and update such information regularly. You agree that if any information that you provide is or becomes false, inaccurate, obsolete or incomplete, Autodesk may terminate your use of the Site.

5. Registration; User Names and Passwords. You may be required to register with Autodesk in order to access certain areas of the Site. With respect to any such registration, Autodesk may refuse to grant you, and you may not use, a user name (or e-mail address) that is already being used by someone else; that may be construed as impersonating another person; that belongs to another person; that personally identifies you; that violates the intellectual property or other rights of any person; that is offensive; or that Autodesk rejects for any other reason in Autodesk's sole discretion.

Your user name and password are for your personal use only, and not for use by any other person. You are responsible for maintaining the confidentiality of any password you may use to access the Site, and agree not to transfer your password or user name, or lend or otherwise transfer your use of or access to the Site, to any third party. You are fully responsible for all interaction with the Site that occurs in connection with your password or user name. You agree to notify Autodesk immediately of any unauthorized use of your password or user name or any other breach of security related to your account or the Site, and to ensure that you "log off"/exit from your account with the Site (if applicable) at the end of each session. Autodesk is not liable for any loss or damage arising from your failure to comply with any of the foregoing obligations.

6. Purchases. If you wish to purchase our products and services, for your convenience, we may provide links on the Site to a web store where you can make such purchases. Please be aware that the web store may be hosted on the Site or on a sub-domain of the Site, but is operated by a third party, and is governed by such third party's website terms and conditions, not by these Terms and for which Autodesk is in no way responsible or liable. We encourage you to read the terms and conditions of the web store prior to making any purchases. These Terms do not govern, and we are not responsible or liable for, your interaction with such web store. Please see Section 12 below for more information on links provided on the Site.

7. Software. Any software that is made available to download by or through this Site ("Software") is the copyrighted work of Autodesk, its suppliers and/or its licensors. Use of the Software may be governed by the terms of the end user license agreement or other agreement applicable to the Software (each, a "License Agreement"). You may not install any Software that is accompanied by or includes a License Agreement unless you have agreed to the applicable License Agreement terms.

The Software is made available for downloading solely for use by end users in accordance with the License Agreement and/or these Terms. Except to the extent expressly permitted in any applicable License Agreement, or expressly authorized under applicable law overriding any of the following restrictions, you agree that you will not sell, lease, lend, convey, transmit, modify, adapt, translate,

prepare derivative works from, decompile, reverse engineer, disassemble or attempt to derive source code from the Software.

Any reproduction, redistribution or other use or exploitation of the Software not in accordance with the License Agreement and/or these Terms is expressly prohibited by law, and may result in civil and criminal penalties. Violators will be prosecuted to the maximum extent permitted under law and equity.

WITHOUT LIMITING THE FOREGOING, COPYING OR REPRODUCTION OF THE SOFTWARE TO ANY OTHER SERVER OR LOCATION FOR FURTHER REPRODUCTION OR REDISTRIBUTION IS EXPRESSLY PROHIBITED, UNLESS SUCH REPRODUCTION OR REDISTRIBUTION IS EXPRESSLY PERMITTED BY ANY LICENSE AGREEMENT ACCOMPANYING SUCH SOFTWARE.

Any Software and documentation for such Software that are downloaded from this Site for or on behalf of an agency or instrumentality of the United States Government are "commercial computer software" and "commercial computer software documentation", and pursuant to FAR 12.212 or DFARS 227.7202, and their successors, as applicable, use, reproduction and disclosure of the Software and such documentation are governed by the terms and conditions set forth in these Terms.

8. Proprietary Rights. The information and materials made available through the Site, including the Software, are and shall remain the property of Autodesk, its subsidiaries, affiliates, licensors and/or suppliers, and are protected by copyright, trademark, patent, and/or other proprietary rights and laws. Subject to your compliance with these Terms, solely for so long as you are permitted by Autodesk to access and use the Site, and provided that you keep intact all copyright and other proprietary notices, you may (a) view any content on the Site to which we provide you access hereunder on any single computer solely for personal, informational, non-commercial purposes, and (b) download and print one (1) copy of materials that Autodesk specifically makes available for downloading (such as white papers) (the "Documents") from this Site solely for personal, informational, non-commercial purposes, provided that the Documents may not be modified or altered in any way. You may not use, download, upload, copy, print, display, perform, reproduce, publish, license, post, transmit, rent, lease, modify, loan, sell, distribute, or create derivative works based (whether in whole or in part) on, the Site or any information from this Site, in whole or in part, without the express prior written authorization of Autodesk. Elements of the Site are protected by copyright, trade dress, trademark, unfair competition, and/or other laws and may not be copied or imitated in whole or in part. No logo, graphic, sound, or image from the Site may be copied or retransmitted unless expressly permitted in writing by Autodesk. Nothing contained on the Site should be construed as granting, by implication, estoppel or otherwise, any license or right to use any of Autodesk's or its affiliates' or suppliers' trade names, trademarks or service marks without Autodesk's express prior written consent.

THE MAXIMUM LIABILITY OF AUTODESK FOR ALL DAMAGES, LOSSES AND CAUSES OF ACTION, WHETHER IN CONTRACT, TORT (INCLUDING WITHOUT LIMITATION NEGLIGENCE) OR OTHERWISE, SHALL BE THE TOTAL AMOUNT, IF ANY, PAID BY YOU TO AUTODESK TO ACCESS AND USE THE SITE.

THE SITE, THE PRODUCTS AND SERVICES AVAILABLE THROUGH THE SITE AND THE INFORMATION, CONTENT, SOFTWARE, DOCUMENTS, AND RELATED GRAPHICS PUBLISHED ON THIS SITE COULD INCLUDE TECHNICAL INACCURACIES, ERRORS, OR OMISSIONS. Nothing herein shall be deemed to constitute consent by Autodesk to the jurisdiction of any court or other forum of any country for the purpose of resolving any dispute hereunder (other than an appropriate state court in Marin County, California, or an appropriate federal court located in San Francisco, California).

20. Indemnification. You shall defend or settle at your sole expense any claim or suit, including without limitation any proceeding, investigation or claim by a self-regulatory organization, state or federal

securities agency or commission, (collectively, an "Action") against Autodesk and/or each of its affiliates, and their respective employees, officers, directors, shareholders, affiliates, agents, representatives, suppliers or licensees (each, an "Indemnitee") to the fullest extent permitted by law arising out of or in connection with: (1) an assertion that the information, content, or other materials or services provided or made available by you, or the use thereof, may infringe any copyright, trademark, or other intellectual property rights of any individual or entity, or are a misappropriation of any individual or entity's trade secret, or contain any libelous, defamatory, disparaging, pornographic, or obscene materials; (2) any breach by you of your obligations under these Terms; (3) your unlawful and/or unauthorized use of, or activities in connection with this Site, including the information, content, services, and/or products provided on the Site; and (4) any Submission provided by you in a Forum. 23. Miscellaneous. These Terms contain the entire agreement between you and Autodesk with respect to this Site and supersede all prior or contemporaneous communications and proposals, whether electronic, oral or written, between you and Autodesk with respect to this Site. You hereby acknowledge that you shall have no power or authority to assume or create any obligation or responsibility on behalf of Autodesk. A party may only waive its rights under these Terms, by a written document executed by both parties. Any failure to enforce any provision of these Terms shall not constitute a waiver thereof or of any other provision hereof. If any provision of these Terms is found to be unlawful, void or for any reason unenforceable, that provision will be deemed severable from these Terms and will not affect the validity and enforceability of any remaining provision. You may not assign, transfer or sublicense any or all of your rights or obligations under these Terms without Autodesk's express prior written consent. No provision of these Terms is intended for the benefit of any third party, and the parties do not intend that any provision should be enforceable by a third party either under the Contracts (Rights or Third Parties) Act 1999 or otherwise. Any heading, caption or section title contained herein is inserted only as a matter of convenience, and in no way defines or explains any section or provision hereof.
