

Tinkercad Third Party Subprocessor List

Date : August 7, 2023

The third parties listed below process student personal data as a part of Autodesk’s Tinkercad service. For more information about how Autodesk processes student and children personal data, please see Autodesk’s [Children’s Privacy Statement](#). As noted in the [Children’s Privacy Statement](#) and below, certain Tinkercad features may not be available to all users. This list of third parties is current as of the date on this document and may be updated from time to time.

Third Party	Use
Facebook Google Microsoft Apple	Social sign-on options. A user is required to have an account with the third party, subject to the third party’s terms of use.
Google Analytics	Website and product analytics for internal operations support
Amazon Web Services	Data hosting
Tealium	Enablement of analytics data processing
New Relic	Website performance monitoring for internal operations support
Adobe Analytics	Website analytics for internal operations support
