

AI Transparency Card

AutoCAD on the Web

Block Generate with AI

Tech Preview

What this AI does

Generates editable AutoCAD blocks from user prompts in AutoCAD on the Web. Users can describe the block they need, review generated options, insert the selected result into the drawing, and save it to their block library for reuse.

Data handling

Training data

Data types	N/A (third-party model) (common elements)
Data sources	N/A (third-party model)
Personal data	N/A (third-party model)

Customer choice

Feature classification	Standard
Choice format	Turn off

Trust & safeguards

Human oversight	Yes
Built-in safeguards	Encryption
Known limitations	Results may vary based on inputs, May produce inconsistent results, Not for safety-critical use

Additional transparency

Model provider	Third-party
Primary technique	Diffusion Transformer (DiT)
