

CERTIFICATE OF REGISTRATION

Artificial Intelligence Management System – ISO/IEC 42001:2023

Coalfire Certification, Inc. certifies that the following organization operates an Artificial Intelligence Management System (AIMS) that conforms to the requirements of ISO/IEC 42001:2023 per the scope and boundaries statement detailed below:

COMPANY:	Autodesk, Inc.	ADDRESS:	One Market, Ste. 400 San Francisco, CA 94105 United States
-----------------	----------------	-----------------	--

Scope:

The scope of Autodesk's present ISO/IEC 42001:2023 certification is limited to the Artificial Intelligence Management System (AIMS) supporting the Autodesk AI/ML Portal (AMP), which is the company's central platform for developing customer-facing AI products and features, in the roles of AI producer and AI provider, in accordance with the statement of applicability.

STATEMENT OF APPLICABILITY:

VERSION: 2.0

DATE: July 02, 2026

Original Registration Date:

August 08, 2025

Certificate Issuance Date:

August 06, 2026

Expiration Date:

August 08, 2028

ON BEHALF OF COALFIRE CERTIFICATION, INC.

Booker Young, VP of Global Assurance

This certificate relates to the Artificial Intelligence Management System, and not to the products or services of the certified organization. The certification reference number, the mark of the certification body and/or the accreditation mark may not be shown on products or stated in documents regarding products or services. Promotional material, advertisements or other documents showing or referring to this certificate, the trademark of the certification body, or the accreditation mark, must comply with the intention of the certificate.
