6. Waiver Any failure of Buyer to enforce at any time or for any period of time any of the provisions of this purchase order shall not constitute a waiver of such provisions nor of Buyer's right to enforce each and every provision.

7. Acceptance and Warranty Final acceptance of Goods or Services by Buyer shall not occur until after delivery to Buyer's facility from which this order originates, unless otherwise specified herein. Risk of loss of or damage to Goods shall remain with Seller until accepted by Buyer.

If no such schedule is set forth on the face hereof, the warranty shall be effective for a period of one year from the date of acceptance of Goods or Services by Buyer, or for such longer period specified by Seller.

All Goods returned to Seller or Services rejected for breach of warranty hereunder shall be at Seller's expense including expenses and penalties incurred by Buyer in recalling such Goods or Services which have been delivered to Buyer's customers and expenses of redelivery.

Seller agrees that shipment of Goods against this purchase order constitutes certification that all Goods included in every shipment conform in all aspects to the applicable requirements, specifications and drawings. Seller will make process control data, inspection and test reports covering the Goods and their parts available for review and subject to examination by Buyer or its authorized representatives to verify conformance to such applicable specifications and drawings. However, a certificate of conformance must accompany individual shipments when so specified on applicable drawings.

Any Goods or Services not accepted by Buyer may be returned to Seller or rejected at Seller's expense for full credit of the purchase price. Inspection may be performed on Goods at Buyer's option on a statistical sampling basis. The entire lot of Goods may be rejected based on defects revealed by such sampling. At Buyer's option, the rejected lot will be either returned to Seller for replacement or credit or fully screened by Buyer with cost of screening paid by Seller. The initial inspection performed by Buyer on receipt of Goods is a conditional acceptance and shall not waive Buyer's right to return Goods to Seller which exhibit or develop defects due to latent causes during or after installation or testing of the end product.

Seller shall preserve all special drawings, dies, patterns, tooling or other items supplied or paid for by Buyer in good condition and they are the property of Buyer unless otherwise specified, and such items shall be returned in good condition when the work on this order has been completed or terminated, or at any other time as requested by Buyer. If material, equipment, special drawings, dies, patterns or other items are furnished by Buyer for performance of this purchase order, all risk of loss thereof or damage thereto shall be upon Seller from the time of shipment to Seller until redelivery to and receipt by Buyer.

If Seller is prevented from delivering or Buyer is prevented from receiving the Goods or Services to be furnished pursuant to this order as a result of governmental actions or regulations (except as hereinafter provided) or of fires, strikes, accidents and other unforeseeable causes beyond the control of either party the obligation to receive or deliver shall be suspended for a reasonable time during which such causes continue to exist. If delivery by Seller is delayed more than ten (10) days as a result of any of these events, Buyer may cancel any or all future deliveries from Seller without liability to Seller and may obtain similar Goods from other suppliers.

9. Changes Buyer may change from time to time any of the drawings, specifications or instructions for Goods or Services covered by this purchase order and Seller shall comply with such change notices. If such changes result in a decrease or increase in Seller's cost or in the time for performance, an adjustment in the price and time for performance may be made by the parties in writing provided however that Seller notifies Buyer of the request for such adjustment within thirty (30) days after receipt by it of the change notice.

10. Assignments Seller shall not assign, delegate or otherwise transfer any of its duties hereunder without prior written approval by Buyer, and any attempted assignment, delegation or transfer without such consent shall be void. Seller shall not subcontract any substantial portion of the work to be performed by it under this order without the prior written consent of Buyer.

and upon the receipt of such notice Seller will comply with Buyer's instructions pertaining to stoppage of work hereunder and the placement of further orders or subcontracts hereunder. The parties shall thereupon employ their commercially reasonable efforts to agree by negotiation within three (3) months upon the amount of reimbursement, if any, to be paid to Seller for each termination. Termination under this provision shall not be deemed a breach of contract. The provisions of this paragraph shall not limit or affect the right of Buyer to terminate this order for cause and shall not apply to a termination for cause. Seller shall mitigate its claim to the maximum extent and in any event no claim shall exceed the lesser of fair market value or actual costs of Materials and work in progress which Seller shows cannot be diverted to other uses. No claim shall be asserted or honored for loss of expected profits or for any consequential indirect or incidental damages due to termination or cancellation or any other claim under this contract

Failure to meet such delivery dates shall be considered a breach of this contract; furthermore, Seller agrees to pay to Buyer any penalty and damages imposed upon or incurred by Buyer for failure of Seller to deliver Goods or Services on such delivery dates. Unless otherwise agreed in writing, Seller shall not make commitments for Materials or production in excess of the amount or in advance of the time necessary to meet Buyer's delivery schedule. It is Seller's responsibility to comply with this schedule, but not to anticipate Buyer's requirements. Goods shipped to Buyer in advance of schedule may be returned to Seller at Seller's expense, and Services proffered in advance of schedule may be rejected. Buyer may reschedule the delivery of any unshipped Goods or any unfinished Services for later delivery within ninety (90) days of the originally scheduled delivery date.

Shipments will be made at the lowest freight charges. Buyer may assist Seller by providing freight classifications or classifying material. On shipments where value is declared, Seller will ship prepaid insured for the minimum declared customs value to facilitate tracing. When shipping United Parcel Service (or other similar delivery company), Seller will ship freight prepaid. Seller shall consolidate air and surface shipments daily on one bill of lading per mode to avoid premium freight costs, unless instructed otherwise by Buyer. Seller shall provide and shall require all of Seller's subcontractors to provide an inspection acceptable to the inspector. If an inspection or test is made by Buyer or any government on the premises of Seller, Seller shall provide all reasonable facilities and assistance for the safety and convenience of the inspectors in the performance of their duties.
