<sup>1</sup> Free Autodesk software and/or cloud-based services are subject to acceptance of and compliance with the terms and conditions of the software license agreement or terms of service that accompany such software or cloud-based services. Software and cloud-based services subject to an Educational license may be used solely for Educational Purposes.  
<sup>2</sup> Autodesk calculates its product donations at commercial value. This data does not include the value of products granted to students and educators at no cost through the Autodesk Education Community.  
<sup>3</sup> Autodesk does not track what percentage of traditional volunteer activities take place during company time. Value of traditional volunteer hours aligns with data cited by Taproot Foundation (\$23.07 per hour), which is based on 2014 Bureau of Labor Statistics data.  
<sup>4</sup> Value of pro bono hours based on hourly rates for various skills cited by Taproot Foundation.
